Hola Habibi

La solución está dirigida a una tienda de joyería y perfumes pequeña o mediana, que vende productos como joyas y perfumes, muchos de ellos importados o de edición limitada. Actualmente, la promoción se realiza principalmente por redes sociales como Instagram, mientras que el control de inventario y ventas se hace de forma manual. El proyecto busca mejorar la gestión de inventarios y ventas digitales, reduciendo errores y optimizando los procesos.

About Us

Crafting Nature's Elegance Since 1997

Welcome to Hanover and Tyke, where the essence of nature meets the artistry of fragrance. Established in 1997, we have been dedicated to curating exquisite perfumes that embody the pure beauty of natural ingredients, ensuring an unparalleled olfactory experience for our discerning customers.

At Hanover and Tyke, we believe in the power of nature's finest elements. Every fragrance in our collection is a testament to our commitment to using exclusively natural ingredients. From the lush floral notes to the earthy undertones, each perfume is a harmonious blend crafted with precision and passion.

Vision

Envisioning Nature's Elegance in Every Scent

Hanover and Tyke aspires to be the global standard-bearer for natural perfumery, seamlessly blending the purest elements of nature to create timeless fragrances. We envision a world where every individual experiences the exquisite beauty of natural scents, fostering a deeper connection between people and the nature.

Vision and Mission

Mission

Our mission is to craft exceptional perfumes that uses the purest natural ingredients only, and to be the pioneer of innovation in the realm of natural perfumery. We are committed to sustainable elegance, minimizing our environmental footprint, and prioritizing customer delight by consistently delivering timeless scents that match well with individual preferences.

Our Products

Men's Perfume

Discover the timeless charm of our Men's Perfume Collection—where strength meets sophistication. Each scent is a refined blend of bold, captivating notes crafted to embody true masculinity.

Women's Perfume

Elevate your senses with our Women's Perfume Collection—an elegant blend of floral, fruity, and sensual scents that celebrate femininity and grace.

Unisex Perfume

Experience harmony with our Unisex Perfume Collection—captivating scents that transcend gender and celebrate personal style without boundaries.

Our Next Project

Sneak Peek into Our Upcoming Floral Fantasy

Get ready to immerse yourself in the sweet scent of success! We're thrilled to give you a sneak peek into our upcoming premium perfume – a floral symphony that is set to bloom like never before. Picture this: petals dancing in the breeze and a fragrance that whispers tales of timeless romance. Our new creation is all about flowers, finesse, and a touch of floral magic.

Fancy joining forces to bring this floral fantasy to life? Let's collaborate and create something unforgettable. The fragrance world is about to get a whole lot more enchanting, and we want you on this fragrant journey with us!

Ready to bloom together?

Benefit of Collaboration

Collaborating with our premium perfume series lets partners co-create exclusive fragrances, blending unique scents and ingredients to stand out in a crowded market.

Partnering with our premium perfume series enhances brand image through luxurious association, elevating product value and attracting sophisticated customers.

Our premium perfume series attracts discerning customers who value quality, artistry, and unique scents. Collaborators tap into this niche market, gaining access to a sophisticated community of fragrance enthusiasts.

Testimonial

 **Drew Feig**
Designer

 **5/5**
I love how it seamlessly transitions from day to night, adding a touch of sophistication to every moment.

 **Juliana Silva**
Accountant

 **4/5**
The scent is pure magic, and every spray feels like a romantic journey through a garden of roses.

 **Olivia Wilson**
Teacher

 **5/5**
Hanover and Tyke Perfume is fantastic, with a refreshing daisy aroma that boosts the mood.

 **Benjamin Shah**
Model

 **4/5**
The exotic blend of jasmine creates an aura of sophistication and charm. It's my favorite!
